

LE BON VIN

WINE MERCHANT EST. 1986

Le Bon Vin was founded in 1986 by Patrick Jouan, a French native from Brittany. Arriving in the UK with just £5 in his pocket, Patrick began selling wine from his spare bedroom, guided by a deep passion for quality wines and direct, personal relationships with producers. What started as a modest operation soon grew organically, as his reputation spread among both private customers and the trade. Over time, Le Bon Vin became a trusted supplier to restaurants, bars, hotels, garden centres, and farm shops, while remaining true to its founding principles of authenticity, independence, and exceptional value.
